

Cross Over Protocol

You must register each team with the correct number of athletes per team online, and choose the pay by check option. Then fill out this cross over form and fax to 360-567-0386; we will adjust your account. You will then be sent an updated e-mail with your balance. At that time you may go to your online account and pay via credit card # or mail in your check. Cross over fees for Regional and Invitational events are \$20 per athlete, and \$50 per athlete for Nationals.

Q?: I have a dance team where the same team competes in different divisions. Do I have to pay cross-over fees for this team?

No, Dance teams that are the same team competing in more than one division pay only one entry fee. However, if you have an athlete that competes in dance and cheer, they must pay for both.

Pac West Spirit Group All Star Cross Over Form

ALL STAR CROSS OVER FORM- Complete ONE for EACH crossover.
